a) The QCA launches its new Environmental and Social Guide

Our new QCA Environmental and Social (E&S) Guide, launched in December 2024, is designed to help smaller companies navigate their social and environmental reporting. The new guide breaks down the key elements of good practice and investor expectations in small and mid-caps into five principles-based pillars:

- 1. Establish a set of values
- 2. Ensure appropriate oversight and management
- 3. Conduct a materiality assessment
- 4. Measure the company's key E&S risks
- 5. Decide on the key actions

The new Environment and Social guide can be found [here](#).
