Dear HMRC colleagues,

Consultation on changes to HMRC statistics publications 2025

We welcome the opportunity to respond to your consultation on changes to HMRC statistics publications 2025.

The Quoted Companies Alliance *Share Schemes Expert Group* has examined the proposals and advised on this response from the viewpoint of small and mid-sized quoted companies. A list of Expert Group members can be found in Appendix A.

In our response, we focus solely on HMRC's Employee Share Scheme statistics.

Overall, and based on HMRC's confirmation through our previous correspondence that there are no proposed changes to the Employment Related Securities (ERS) template, we consider that the additional information will be useful and we welcome the proposed changes.

If you would like to discuss our response in more detail, please do not hesitate to contact us.

Yours sincerely,

A handwritten signature in blue ink that reads "James Ashton".
